1. In response to your Action Memorandum A-250 of 12 June, I am attaching a current report on CIA Officers who have graduated from the National War College.

- a. A short resume on each graduate showing: his grade and assignment at the time he attended the College, his subsequent assignments, and his present grade and assignment.
- b. Information about the distribution of graduates among the major components of the Agency and a special note concerning the 7 who have resigned.
